My thanks to Supermarine Bowmen who laid out the field on Saturday and those who not only looked for lost arrows and staked down the targets but some found time to shoot as well. The catering team led by Jim and Margaret did their usual excellent job and the gateau disappeared at the speed of light. I also wish to thank Lady Paramount Erin Prior and I am sure you will wish me to thank the judges Nick and Paul without whom the Tournament would not take place.

Supermarine Bowmen would like to see you again next year and bring some more friends with you.

So put it in your Calendar for the first Sunday in September 2016 the 4th.
