My thanks to Supermarine Bowmen who laid out the field in the rain on Saturday and those who not only looked for lost arrows and staked down the targets but some found time to shoot as well on Sunday. The catering team led by Jim and Margaret did their usual excellent job and the gateau disappeared at the speed of light. I also wish to thank Lady Paramount Mrs Theresa Watts and I am sure you will wish me to thank judges Paul and Martyn who assisted me in running the tournament without whom the tournament would not take place. Supermarine Bowmen would like to see you again next year and bring some more friends with you.

So put it in your Calendar for the first Sunday in September 2017.

Regional Judge and Tournament Organiser Joan Griffiths
